The Honorable Gregory F. Murphy
U.S. House of Representatives
413 Cannon House Office Building
Washington, DC 20515

Dear Congressman Murphy:

The Fleet Reserve Association (FRA) supports the Veterans PTSD Screening Act (H.R. 3886), which would require the Department of Veterans Affairs to screen all veterans for post-traumatic stress disorder (PTSD) when they enroll for VA care. This commonsense measure will ensure earlier detection and treatment of PTSD, helping to improve the overall well-being and health outcomes of those who served.

The Association appreciates your commitment to improving veterans' mental health care. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

Phillip Reid
National Executive Director
