The Honorable Gregory F. Murphy
U.S. House of Representatives
413 Cannon House Office Building
Washington, DC 20515

Dear Congressman Murphy:

The Fleet Reserve Association (FRA) supports the Ensuring Justice for Camp Lejeune's Victims Act (HR.4145), which amends the Camp Lejeune Justice Act of 2022 by making important technical corrections to clarify eligibility, filing deadlines, and procedural consistency. These refinements will streamline the claims process for veterans and family members impacted by contamination at Camp Lejeune, ensuring their legal rights and benefits are protected as intended by Congress.

The Association appreciates your efforts to uphold justice for those affected by Camp Lejeune's water contamination. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

Phillip Reid
National Executive Director
