The Honorable Brandon Williams
U.S. House of Representatives
1022 Longworth House Office Building
Washington, D.C. 20515

Dear Representative Williams:

The Fleet Reserve Association (FRA) strongly supports H.R. 7150, which requires the Secretary of Veterans Affairs to submit quarterly reports to Congress regarding the status of housing loans insured or guaranteed by the VA.

Transparency is essential for effective advocacy. By requiring frequent reporting on loan approvals, denials, and foreclosure rates, H.R. 7150 will allow FRA and Congress to identify emerging trends and challenges in the veteran housing market in real time. This oversight is critical to ensuring the long-term health of the VA Home Loan program for sea service families.

FRA appreciates your commitment to transparency and veteran homeownership. Please contact Mr. Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org with any questions.

Sincerely,

DONNA M. JANSKY
National Executive Director
