2182 Rayburn House Office Building
Washington, DC 20515

Dear Congressman Mast:

The Fleet Reserve Association (FRA) supports H.R. 913, the Streamlining Aviation for Eligible Veterans Act of 2025, a bill that would streamline aviation-related benefits, such as pilot training, for eligible veterans. This will open new career pathways in aviation, empowering veterans with specialized skills and opportunities.

The Association appreciates your dedication to expanding vocational opportunities for veterans. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

Phillip Reid
National Executive Director
