The Honorable David Valadao
U.S. House of Representatives
465 Rayburn House Office Building
Washington, DC 20515

Dear Congressman Valadao:

The Fleet Reserve Association (FRA) supports the “Modernizing All Veterans and Survivors Claims Processing Act” (H.R.8874) that would require the Department of Veterans Affairs (VA) to create a plan and report to Congress on making automation tools available for all Veterans Benefits Administration (VBA) offices and the VA Board of Veterans’ Appeals to process benefits claims for survivors and veterans more efficiently.

The Association appreciates your dedication to veterans’ issues. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

John R. Davis
