The Honorable Troy E. Nehls
U.S. House of Representatives
1104 Longworth House Office Building
Washington, DC 20515

Dear Congressman Nehls:

The Fleet Reserve Association (FRA) strongly supports H.R. 695, a bill that would increase the rate of the special pension payable to Medal of Honor recipients. This important legislation recognizes the extraordinary valor and sacrifice of our nation's most distinguished service members by providing them with enhanced financial support.

Medal of Honor recipients have demonstrated unparalleled bravery and commitment to our country. Increasing their special pension rate is a meaningful way to honor their service and ensure they receive the benefits commensurate with their contributions.

The Association appreciates your dedication to honoring our nation's heroes. The FRA point of contact is Theo Lawson, Assistant Director of Legislative Programs, at TheoL@fra.org.

Sincerely,

Phillip Reid
National Executive Director
